Event Proposal for “Averis Hackathon 2026”

Semester 2, 2026

EMS Ref. No.	(*leave blank for EMS applications, fill in for fund applications after EMS approved) E-202610796
---------------------	--

Date; Time of event	START 18 September 2026 6 p.m. END 26 September 2026 6 p.m.	Duration	8 days
Description	A collaborative industry hackathon jointly organised by GDGoC MUM and MUMTEC, in partnership with Averis, that enables students to develop innovative solutions to industry challenges through a guided build period, culminating in a final pitching event evaluated by industry professionals.		
Purpose	1. Provide students with hands-on experience in solving authentic industry challenges. 2. Enhance participants' technical, teamwork, and pitching skills through a structured innovation competition. 3. Foster collaboration between students and industry while creating networking and career development opportunities.		
Targeted Attendance (incl. number of participants, and its respective breakdown)	Expected number of participants: 500 students from different universities (capped 100 teams, 5 participants each) Expected number of finalists: 50 students (10 finalist teams) invited to present during the Final Pitch Day		
Proposed Venue/Supplier(s)	Plenary Theatre (26 September 2026 Final Pitch Day)
